

The Letter "S"

A Stitches Handwriting Study designed by Christina Somerville, created by Emma Orr

THIS HANDWRITING STUDY:

- Recommended for one week of study in the context of ancient Egyptian culture (approximately 5000 B.C. to 33 A.D.).
- This study is most appropriate for Lower Grammar or Upper Grammar students (especially writing Level 1).
- This study includes eight worksheets (four in print and four in cursive) to help students master the writing of the letter "S" in both uppercase and lowercase, and as used in three short vocabulary words. No answer key is needed or included.
- This week's study correlates with *Tapestry of Grace*, Year 1, Week 1. The following student threads and materials from that week are used here:
